Ephesians - Lesson 1 of 2

So we praise God for the glorious grace he has poured out on us who belong to his dear Son.

Ephesians. 1:6 (NLT)

BOOK OF EPHESIANS: This letter was written by the apostle Paul while he was a prisoner in Rome about AD 60-62. Although it bears the name of the church in Ephesus, it was intended to be circulated among all the churches in Asia. It addresses the common needs of all believers and the truths most essential for today's church, also known as the Body of Christ. When you are done you should have a better appreciation of your position in Christ and how to live a more Christ-like life.

Ephesians 2:8-10 (NASB)

This is one of the most important chapters of the Bible. It focuses upon the Christian's life, past, present and future. It shows what your condition was before you accepted Christ and what your life has become as a result of Christ's work. This chapter also emphasizes the importance of salvation by grace through faith, plus nothing else, and establishes the foundation upon which the church, the Body of Christ, is built.

It was the work of the Holy Spirit which drew us to Christ, gave us saving faith, and baptized us into the “one body” (1 Cor. 12:13). The statement has three parts—salvation, grace, and faith—and they are equally important. The three together constitute the basic principle of Christianity.

In your own words, what does this mean to you?
