1 Timothy Lesson 2 of 2

Answer Sheet for New Living Translational (NLT)

Chapter 4

Read 1 Timothy 4:1-16 _____ Check

1. (v. 4:1) What does the Spirit say will happen in the later/last times?

Note: The Greek words that are translated as “latter times” are different than those normally used to identify the final days before the coming of Christ. Rather it carries the general idea of the current times in contrast to earlier times. Therefore, the time period discussed here most likely refers to all times since Paul wrote the words up to and including the present. He is describing the nature of the world without Christ and the transforming power of the gospel.

2. (v. 4:2) How are the consciences of those who speak hypocritical lies described?

3. (v. 4:3) What are some of the things taught by these false teachers?

4. (vs. 4:3-4) What do you believe these verses teach about previous food prohibitions that we find in the scriptures?

5. (vs. 4:3-5) Since everything God created is good and not to be refused, how should we receive everything?

Note: These verses clearly demonstrate that God’s commands have changed throughout the various dispensations. The restrictions that God placed on what people could eat went from eating only plants in the Garden of Eden up to the time of the flood. After the flood man could eat any meat until the Law was given to Moses. During the time of the Law the Jew’s diet was restricted to only certain types of animals. Here we see the final command that God has given for us, the members of the Body of Christ. We are no longer bound by the dietary restrictions of the Mosaic Law because we are not under law but under grace.

6. (v. 4:6) What does Paul instruct Timothy to do with these truths?

7. (v. 4:6) How does Paul describe Timothy if he follows the instructions of the verse?

8. (v. 4:7) What should we avoid and what should we do instead?

9. (v. 4:8) What value does physical/bodily training have?

10. (v. 4:8) This verse says that godliness holds a promise for this life and the life to come. Explain what you think that means

11. (vs. 4:9-10) What is the trustworthy statement/saying?

Note: This (“savior of all men”) does not mean that God saves every person from eternal punishment, for such universalism would contradict the clear testimony of Scripture. God is, however, the Savior of all in that he offers salvation to all and saves all who come to him.

12. (v. 12) What should Timothy not allow anyone to do?

13. (v. 12) How should Timothy be an example for others?

14. (v. 4:13) What was Timothy to do while he was waiting for Paul?

15. (v. 4:14) What was Timothy not to do with the gift that had been given to him?

16. (v. 4:14) How did Timothy receive this gift?

17. (v. 4:14) What do you think this gift was?

Note: We are told that every believer receives a spiritual gift (Romans 12:6; 1 Corinthians 12:7). Such gifts are enablements from the Holy Spirit that allow us to serve the Lord more effectively. According to this passage it is possible to ignore these gifts and based on other passages, we can abuse them. At the time Paul wrote his letter God was giving supernatural sign gifts, such as healing and speaking in tongues. It seems that near the end of Paul’s ministry those gifts had been removed (1 Corinthians 13:8) as even Paul was not able to heal his companion Trophimus (2 Timothy 4:20). However, there is a list of gifts for ministry and the building up of the Body of Christ that are still being distributed by the Holy Spirit (Romans 12:6-8). God wants us to discover these gifts and not neglect them, just as Paul instructed Timothy.

18. (v. 4:15) Why was Timothy to devote himself wholly to these things?

19. (v. 4:16) What was Timothy to watch?
