## 2 Timothy Lesson

### Answer Sheet for New Living Translation (NLT)

Paul's second letter to Timothy is the last record we have from him. The Roman emperor, Nero, had probably ordered Paul's execution. Paul had been left alone by all but one of his companions. They either deserted him or went on to other places for ministry.

Paul recognized that he was about to die, and he rejoiced in the fact that he had been faithful to God's calling for his life. In this letter Paul expressed concern about false teaching that had entered the church. Paul instructed Timothy to preserve the truth that he received by passing it on to faithful men who would continue to teach and preach the Word of God with power and authority.

### INTRODUCTION

**AUTHOR:** The apostle Paul

**PLACE OF WRITING:** Second Timothy was probably written from a prison cell in the city of Rome.

**DATE OF WRITING:** The letter was probably written around 67 AD during the persecution of Christians by Nero, the emperor of Rome.

**PURPOSE, THEME AND SUBJECT MATTER OF THE LETTER:** The evidence in the Pastoral epistles suggests that Paul was released from prison in Rome after two years, and that he traveled to several cities and churches. During that time he left Titus in Crete (Titus 1:5) and Timothy in Ephesus (1 Timothy 1:3) to set things in order and appoint elders. At some point Paul must have been rearrested and sent back to Rome, this time to die at the executioner's hand. Paul clearly understood his fate. He wrote a final letter to his dear friend, coworker, and son in the faith, Timothy, encouraging him to come to Rome so Paul could see him one more time.

Paul used this letter to give Timothy some important final instructions about how to conduct himself as a servant of Christ, to remind him of the importance of his calling to the ministry and to warn him that there will be many who will fall away from the pure teaching they had received and follow false teachers.

# Chapter 2

## ENCOURAGEMENT TO BE STRONG AND THE FAITHFULNESS OF GOD

Read 2 Timothy 2:1-13 \_\_\_\_\_ Check

**Note:** It has been suggested that Timothy may have had a meek personality and was easily discouraged and intimidated. For this reason there are many passages in which Paul encourages him to be bold and courageous (1 Timothy 1:18; 4:12; 6:12; 2 Timothy 1:7; ). Paul wanted Timothy to lead others with confidence, and he assured him that he could do so with the help of God. Certainly the same promises given to Timothy apply to us today. God, through His Holy Spirit will give us the power to serve Him with confidence and courage.

1. (v. 2:1) What instructions does Paul give to Timothy?

be strong through the grace that God gives you in Christ Jesus.

---

---

2. (v. 2) Describe the pattern for training that Paul gives in this verse.

Now teach these truths to other trustworthy

---

people who will be able to pass them on to others.

---

---

3. (v. 3) Does this verse teach that the Christian life should be easy? no

**Note:** There are many passages in which Paul teaches that living a life that honors God will be a challenge and that we will face opposition and persecution. We should reject any preacher or Bible teacher that tries to say that when someone becomes a Christian they will be blessed with health, prosperity, and a worry free life. We know from the book of Acts and Paul's own writings that his life was full of struggles and hardship. If someone as committed and full of faith as Paul, could endure such difficulties, we should not expect anything different.

4. (vs. 2:4-6) Paul uses three metaphors in these verses to illustrate the need for a servant of God to be committed in their service to the Lord. List each of the three metaphors and describe in your own words how they teach about our service to Christ.
- a. A soldier does not get tied up in the affairs of civilian life, so they can devote their time to pleasing their officers. Answers will vary on "describe in your own words"  
(We should seek to please the Lord in our struggle against sin and the world)
- b. athletes cannot win the prize unless they follow the rules.  
Answers will vary: God expects us to serve Him according to His will and we should always be obedient to his commandments.
- c. hardworking farmers should be the first to enjoy the fruit of their labor.  
Answers will vary: This could refer to a servant of Christ being the first to be blessed through his study and ministry of the Word.
5. (v. 2:7) Who gives us understanding of the truth? the Lord
6. (v. 2:8) What two things does Paul ask us to remember about Jesus Christ?  
That he is descended from David and raised from the dead.
7. (vs. 2:8-9) What is it that Paul is suffering for? The Good News (the gospel)

**Note:** Paul uses the term “my gospel” in verse 8 to describe the message that he has been commissioned by the Lord Jesus Christ to preach to the world. He refers to “my gospel” in two other passages in his writings (Romans 2:16 and Romans 16:25), and he is the only author in the Bible to use the term. In Romans 16:25 he states that his gospel was a message that had been a secret that God did not reveal to anyone in the past. He also refers to this as “the mystery.” Paul’s gospel was a unique message that he had received directly from Jesus Christ (Galatians 1:12). What makes Paul’s gospel message unique (from that which was preached by the other Apostles) is that through his gospel alone we learn that Jews and Gentiles are joined together on equal terms as members of the Body of Christ (Ephesians 3:1-7).

8. (v. 2:9) What does this verse tell us about Paul's circumstances when he wrote this letter? He is in chains (prison) like a criminal.  
\_\_\_\_\_
9. (v. 2:9) What comments can you make about the phrase in this verse "God's word is not chained?" Answers will vary and be personal responses  
\_\_\_\_\_
10. (v. 2:10) For whose sake is Paul suffering and for what purpose?  
For those God has chosen if it will bring salvation and eternal glory in Jesus.  
\_\_\_\_\_
11. (v. 2:13) What does this verse say about God?  
God is faithful even when we are unfaithful  
for He cannot deny who he is.  
\_\_\_\_\_

## **INSTRUCTION FOR THE SERVANT OF GOD**

**Read 2 Timothy 2:14-26 \_\_\_\_\_ Check**

12. (v. 2:14) Why should we avoid dispute/fighting over words?  
Such arguments are useless, and they can ruin those who hear them.  
\_\_\_\_\_
13. (v. 2:15) An approved workman of God will not be  
ashamed  
\_\_\_\_\_.
14. (v. 2:16) What is the result of participating in godless/worthless/foolish chatter?  
It leads to more godless behavior.  
\_\_\_\_\_
15. (v. 2:17) What happens to the teachings of those who participate in this type of  
chatter? it spreads like cancer  
\_\_\_\_\_
16. (vs. 2:17-18) Who are two examples of false teachers, and what did they teach?  
Hymenaeus and Philetus were claiming that the resurrection of the  
dead has already occurred  
\_\_\_\_\_

17. (v. 2:19) What two truths are stated here that are foundational truths?

“The Lord knows those who are his,

---

“All who belong to the Lord must turn away from evil.”

---

**Note:** These two statements, “God knows those that are His” and “Everyone that confesses the name of Christ will turn away from iniquity” make an important point. Oftentimes we are confused when we see someone who claims to be a Christian but his life does not demonstrate it. Ultimately we cannot know the state of any person’s soul, only the Lord knows. We often have to accept what a person says about his relationship with the Lord. On the other hand, Paul makes it clear in this passage that if a person claims to know Jesus Christ as Savior, there should be a definite change in behavior. A Christian’s lifestyle should reflect that he is a child of God.

18. (vs. 2:20-21) Explain the point of the illustration Paul is using in this passage.

Answers will vary, but should generally reflect the following ideas:

---

The vessels of gold and silver are for honorable use (special occasions).

---

Those of wood and clay are for less honorable use (everyday use).

---

Christians are to live so they are honorable vessels and useful to the Lord.

19. (v. 2:22) What is Timothy to flee from and what is he to pursue?

Run from anything that stimulates youthful lusts

---

Instead, pursue righteous living, faithfulness, love, and peace.

---

20. (v. 2:22) When someone follows the instructions in this verse what does it indicate about their motives for following Christ?

They are calling on the Lord out of a pure heart.

---

21. (vs. 2:23-24) What is the Lord’s servant to avoid and why?

foolish, ignorant arguments because they only start fights

---

22. (v. 2:24) What should be the characteristics of the Lord’s servant?

He must not quarrel but must be kind to everyone, be able

---

to teach, and be patient with difficult people

---

23. (v. 2:25) What should the servant of the Lord do when he is opposed?

Gently instruct those who oppose the truth.

---

24. (v. 2:25) What is the goal of the instruction given to those who oppose the servant of the Lord?

That God would change their hearts and they will learn the truth

---

---

25. (v. 2:26) Describe in your own words how the person who opposes the servant of God can be used by the devil.

Answers will vary but may include something about how the devil can distract

both the believer and the leaders from God's work when arguing and debating.

## Chapter 3

### GODLESSNESS IN THE LAST DAYS

Read 2 Timothy 3:1-9 \_\_\_\_\_ Check

1. (v. 3:1) How does Paul describe the last days? very difficult times.

**Note:** The book of Revelation describes a period of great tribulation and distress during the time just before Jesus Christ returns to Earth to establish His Kingdom. However, we know that refers to a time after the Body of Christ has been removed from the Earth in the catching away of believers to be taken to heaven in what is commonly called the Rapture. However, the revelation that Paul received from God had to do with the current Dispensation of

Grace and the Body of Christ. Therefore, it is unlikely that the reference to the “last days” in this passage is to the Tribulation. The phrase “last days” could also be translated as “latter days” and could be talking about the entire period of the Dispensation of Grace in which we currently live. Therefore, the description of perilous times may be of an increase in wickedness that will take place throughout the entire Dispensation of Grace.

2. (vs. 3:2-4) Choose one of the characteristics of the last days listed and describe how you see it as a reality in our society today.

---

---

---

(Answer will vary)

---

3. (vs. 3:1-5) How are we to respond to people such as the ones described in these verses? Stay away from people like that!

4. (v. 3:7) How are the godless people described in this verse?  
forever following new teachings, but they are never able to understand the truth.

**Note:** The two men mentioned in 2 Timothy 3:8, Jannes and Jambres, were the traditional names of the Egyptian magicians mentioned in Exodus 7:11. When Moses tried to convince the Egyptian Pharaoh to release the Israelites from slavery. The magicians of Egypt challenged the miracles that Moses and Aaron performed by trying to do the same thing.

5. (v. 3:8) In what way are the godless men talked about in this verse the same as Jannes and Jambres?  
They oppose the truth, They have depraved minds and a counterfeit faith.

6. (v. 3:9) What does Paul say about the impact such people will ultimately have?  
They won't get away with this for long. Someday everyone will recognize what fools they are,

## INSTRUCTIONS TO TIMOTHY

Read 2 Timothy 3:10-17 \_\_\_\_\_ Check

7. (vs. 3:10-11) To what does Paul refer to show the sincerity of his service to the Lord?  
The persecution and suffering he endured in his ministry. (The student may list the various suffering Paul experienced)

8. (v. 3:12) What can those who live godly in Christ expect from life?  
To suffer persecution.

**Note:** This is an important warning for us not to listen to preachers and Bible teachers who say that a Christian should never face difficulties in life. Furthermore, we should not be deceived if we are told that trials and tribulations are the result of sin and disobedience in our lives. In fact, we are told here that hardships await those whose lives are godly.

9. (v. 3:13) What will happen as the latter days progress?  
Evil people and impostors will flourish and will deceive and be deceived.

10. (v. 3:15) From when has Timothy known the Scriptures? from childhood,

11. (v. 3:15) In what way will the scriptures help Timothy?  
They will give him the wisdom to receive the salvation

12. (v. 3:16) How does this verse describe the source of Scripture?  
All Scripture is inspired by God

13. (v. 3:16) What four ways does this verse list that a knowledge of the Scriptures benefits the readers?

1. teaching (what is true)
2. realize what is wrong in our lives
3. corrects us
4. teaches us to do what is right

Note: It is important to understand the four things in verse 16 for which the Scriptures are to be used.

14. (v. 3:17) What will the Scriptures produce in the person who applies their teaching?  
He will be prepared and equipped to do every good work

## *Chapter 4*

### **PAUL'S CHARGE TO TIMOTHY**

**Read 2 Timothy 4:1-8 \_\_\_\_\_ Check**

1. (v. 4:1) In whose presence (before whom) does Paul make this commandment.  
God and Christ Jesus

2. (v. 4:1) Whom will Christ Jesus judge? the living and the dead

**Note:** Paul says that Jesus Christ will be the judge of the “living and the dead.” This phrase can have two meanings. On the one hand, it can be speaking of those who are physically alive and those that have died at the time of the judgment, whether the Judgment Seat of Christ after the Rapture or the Great White Throne Judgment after the one thousand year reign of Christ on the Earth. This may also refer to those who are spiritually alive or spiritually dead. According to Ephesians 2:4-5 we were all dead in our sins, but God made us alive in Christ Jesus.

3. (v. 4:1) What two other things does Paul consider when making this charge to Timothy?

The presence (appearing) of the Lord and His Kingdom

---

---

4. (v. 4:2) When should Timothy (or any minister) be prepared to preach the Word?

whether the time is favorable or not.

---

5. (v. 4:2) What things does Paul instruct Timothy to do through the preaching of the Word? Patiently correct, rebuke, and encourage with good teaching

---

---

**Note:** Like verse 3:16, this verse emphasizes how God’s Word is the primary source of instruction for living our lives. All of the words used above are for ones that provide guidance for living the Christian life. At times, such instruction might seem harsh but that is often what is needed to correct wrong behavior.

6. (v. 4:3) What will be the response of the majority of people to instruction they receive from the Word of God?

They will no longer listen to sound and wholesome teaching.

---

---

7. (vs. 4:3-4) Describe how people will reject the teaching of God in the latter days.

They will follow their own desires and will look for teachers who will tell them whatever their itching ears want to hear.

---

---

They will reject the truth and chase after myths.

8. (v. 4:5) Paul gives four instructions to Timothy in this verse. List them.

1. keep a clear mind in every situation

2. Don't be afraid of suffering for the Lord.

3. Work at telling others the Good News,

4. fully carry out the ministry God has given you.

9. (vs. 4:6-8) In these verses Paul is telling Timothy that he believes the end of his life is near. He was probably going to be executed by the Roman authorities. Based on these verses describe how you believe Paul felt as he was facing death.

---

---

---

(Answer will vary)

10. (v. 4:8) What does Paul say is awaiting him and all who love Christ's appearing?

A crown of righteousness

## FINAL COMMENTS

Read 2 Timothy 4:9-22 \_\_\_\_\_ Check

11. (v. 4:9) What does Paul urge Timothy to do? come as soon as you can

12. (v. 4:10) Describe what has happened to the three companions of Paul mentioned in this verse. Demas has deserted him and gone to Thessalonica..

Crescens has gone to Galatia. Titus has gone to Dalmatia.

13. (v. 4:11) Who is the only companion still with Paul? Luke

14. (v. 4:11) What does Paul say about Mark in this verse?

Bring Mark with you when you come, for he will be helpful to me in my ministry

**Note:** The story of Mark is a remarkable account of restoration and reconciliation after failure in the ministry. Mark first appears in the Scripture in Acts 12:12 when Peter went to the home of Mark's mother, Mary, after his miraculous release from prison. We then learn in Acts 12:25 that Mark joined Paul and Barnabas on their missionary journeys. Barnabas was a relative of Mark, either a cousin or uncle (Colossians 4:10). Later we find that Mark had deserted Paul and Barnabas and that when he tried to join them on their second journey Paul did not want him to be part of the team, probably because of his earlier decision to return home early (Acts 15:36-41). The disagreement between Paul and Barnabas over Mark was so great that the two missionaries had to go separate ways. However, now at the end of his life, Paul is asking that Mark come to him. We see that even when there are serious disagreements, people can be reconciled and used for God's ministry.

15. (v. 4:13) What further instructions does Paul give to Timothy in this verse?

bring the coat I left with Carpus at Troas.

bring my books, and especially my papers.

16. (vs. 4:14-15) What warning does Paul give to Timothy in these verses?

Be careful of Alexander the coppersmith because he did much harm to Paul

and fought against everything they said.

17. (v. 4:16) What did Paul's companions do when he had to defend himself in court?

Everyone abandoned him

18. (v. 4:16) What does Paul ask of the Lord for those people that abandoned him?

May it not be counted against them.

19. (v. 4:17) How was Paul reassured when he stood to make his defense?

the Lord stood with him

20. (v. 4:18) What is Paul confident that the Lord will do for him?

the Lord will deliver him from every evil attack

and will bring him safely into his heavenly Kingdom

21. (v. 4:19) To whom does Paul send final greetings?  
Priscilla and Aquila and those living in the household of Onesiphorus.

---

22. (v. 4:20) Where was Trophimus when Paul left him and what condition was he in?  
He was left sick at Miletus.

---

**Note:** The fact that Paul had to leave Trophimus sick in Miletus is very significant. It is evidence that even within Paul's lifetime the sign gift of healing was already fading away from the normal life of the Body of Christ. Healing was part of the proclamation of the Gospel of the Kingdom that was preached by Jesus and the 12 Apostles (Luke 4:18; 7:22). It was a sign that the age of the Messiah had arrived and that God was now fulfilling his prophecies for the end times. However, Israel denied Jesus as their Messiah. God then revealed the Body of Christ and the truth that Jews and Gentile can approach God on an equal basis. He gave the same sign gifts to Paul and others to prove that the message of God's grace was legitimate. However, based on 1 Corinthians 13:8 we learn that the sign gifts, meant for the Church in its infancy, would pass away at some point. Although there was a time when Paul could heal the sick at will (Acts 19:11-12; 28:7-9) this verse shows that at the end of his ministry that power had been taken from him.

23. (v. 4:21) What does Paul encourage Timothy to do?  
To come to him before winter.

---

24. (v. 4:22) How does Paul end the letter?  
May the Lord be with your spirit.  
And may his grace be with all of you.
